Segment: Discover the Benefits of my|CalPERS

### **Video Transcript**

The California Public Employees' Retirement System presents my|CalPERS: A new and innovative way to interact online with CalPERS.

my|CalPERS allows you to create a simple, reliable, and secure Web experience to conduct your business with CalPERS.

my|CalPERS creates a unique one stop shop for conducting all your financial planning, retirement, and health benefit activities.

my|CalPERS is specifically designed for you to access your profile, account information, status updates, planning tools, and all other CalPERS services offered online.

Interact independently with CalPERS and take a proactive role in planning for your future.

My health, my security, my retirement, my future, my|CalPERS.
